It is our intent to work together in love while building these communities across the USA and Africa, making a constructive generational community distinction.

Our Mission

The mission of W.O.W is to provide the tools, training and other resources to community leaders who are called to impact the lives of God's people. In an effort to hold true to what we believe, our mission focuses on three core areas:

- 1) Evangelistic outreach- Share the gospel of Jesus Christ through community service events, seminars, workshops, youth camps, and more.*
- 2) Mentorship & Coaching- Mentor young ladies ages 13-25 through various programs and activities.*
- 3) Support- Provide support through training programs, fundraisers, conferences and other community outreach initiatives.*

Fire and Ice Fundraising Gala will benefit WOW's Lydia Project 2019. The objectives to the program is to change mindsets and behaviors, restore trust, provide support during and ongoing. The curriculum is designed to teach personal development, family values, health and wellness, physical, emotional and spiritual wellbeing, financial literacy, stewardship, commitment, marketing and business acumen to women in our underserved communities.

The spirit of WOW mission permeates through the Fire and Ice fundraising gala. This annual event bridges community gaps and demonstrates solid community partnerships in efforts for the betterment of the community. The Fire and Ice annual gala has become a favorite event in the Inland Empire.
