Overview:

Women Organizing Women, Inc. (WOW) is thrilled to announce the 9th Annual Fire and Ice Fundraising Gala. Held at the magnificent Benedict Castle, this event promises an evening of elegance, connection, and purpose. The gala will feature a delectable dinner prepared by the esteemed chefs of Benedict Castle, live entertainment, and a thoughtfully curated live auction. The evening will also honor community leaders with an award ceremony recognizing their remarkable contributions to transforming lives.

Vision:

Women Organizing Women is committed to transforming mindsets and dismantling belief systems that perpetuate depression, scarcity, and abuse. Grounded in the teachings of Christ Jesus, our vision manifests through evangelistic outreach, mentorship, and community programs that foster a global, generational shift toward joy, prosperity, and safety.

Mission:

The Fire and Ice Gala supports WOW's and Caring for Orphans (CFO)'s initiatives, with a mission to care for orphans, widows, and underserved communities by providing physical, educational, and spiritual support. At the heart of our work are three pivotal pillars:

Evangelistic Outreach: Sharing the love and teachings of Christ to empower individuals and communities.

Mentorship & Coaching: Offering guidance to women and children through life's challenges, helping them realize their full potential.

Women's Support: Uplifting women through programs designed to foster healing, personal growth, and leadership.

The funds raised at the gala will directly contribute to these efforts, including:

Caring for Orphans (CFO) - Mozambique: Supporting the physical, emotional, and spiritual well-being of orphans and at-risk children. CFO works to provide medical care, education, shelter, and protection for young girls at risk of forced marriages or trafficking. Through strategic partnerships, we strive to transform lives by providing daily needs, emotional healing, and the introduction of God's love.

WOW Programs: Empowering women through retreats, classes, conferences, workshops, and micro-grants that promote health, wellness, financial literacy, and professional development.

Goal:

Our mission extends globally. We aim to spread the good news of Jesus Christ, support women and children in underserved areas, and foster environments of healing and restoration. The proceeds from this gala will fund programs such as the Lydia Project, the ELD Scholarship, and micro-grants for women's empowerment.

Sponsorship Opportunities:

CFO Support: \$1000

Lydia Project Mobile Kitchen: \$1,000

ELD Scholarship: \$1,000

Women Support Micro-Grants: \$2,500
