A Gala Like No Other

Fire and Ice was first conceived around a table, when **Tina Batten** of Sister Batten Productions shared a dream and WOW Co-Founder **Robin McCoy** shared a cookie. What began as a conversation between two visionaries has since become one of Southern California's most anticipated holiday fundraising galas.

This years' experience includes:

- **Preshow Celebration (3–5 PM):** Featuring live sets from **DJ Rob**, energizing the atmosphere with music, mingling, and early auction opportunities.
- **Silent Auction:** A showcase of elegant gowns and other exclusive items up for bid.
- **Main Event (5–8 PM):**
 - **Apron Fashion Show** – a high-end, over-the-top runway experience that has become a Fire and Ice signature.
 - **Headliner Performances:**
 - **Tina Batton**, Producer of Sister Batten Productions <http://www.sisterbatten.com/> and one of the original Fire and Ice creators.
 - **Dunamix Dance Project** dunamixdanceproject.com delivering artistry, movement, and power.
 - **Stacey Aasiya Bey**, powerhouse vocalist whose soul-stirring voice uplifts and inspires [YouTube Channel](#)

And throughout the evening, the **crowd is studded with the presence of the Holy Spirit—the eternal influencer of all times—making Fire and Ice an encounter that transcends entertainment and becomes a divine experience.**

Honoring Community Leaders The night also includes an **award ceremony**, spotlighting community leaders whose contributions are transforming lives with faith, service, and resilience.
